## TOWN WARRANT

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Canaan in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Canaan on Tuesday, the 9th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of tax revenues.
4. To see if the Town will vote to authorize the Selectmen to convey by quitclaim deed all property acquired by tax deed, or take any action thereto.
5. To see if the Town will vote to authorize the Selectmen to continue the present policy of joint financial coopera-

tion with the State of New Hampshire in the construction of bridges, and to hire necessary funds to provide the Town's share in any construction authorized and undertaken in the year ensuing.

6. To see if the Town will authorize the Selectmen to borrow money for Town bridge construction or take any action thereto.

7. In pursuant to a petition of ten or more legal voters: To see if the Town of Canaan, New Hampshire will vote to take over and maintain road from Route No. 4 in a Northerly direction, to the property line of John R. Bruce.

8. To see if the Town of Canaan will accept the highway leading from the North Easterly end of Hill Court road for a distance of 300 ft. more or less to the William Reagan Road or take any action thereto. This article to be accepted only on conditon that a deed to said road is given to the Town of Canaan of ample width to enter upon and maintain said road.

9. To see if the Town will authorize the Selectmen to take down the old Bathhouse so called, at the Public Beach on Canaan Street Lake and grade land for better launching of boats and beach improvements or take any action thereto.

10. To see if the Town will vote to employ the services of the State of New Hampshire assessors to obtain more equalized assessments and raise money to pay for same, or take any action thereto.

NOTE: Polls to open at 10 A.M. and close at 6 P.M.

Articles in warrant to be taken up at 1:30 P.M.

Given under our hands and seal, this 22nd day of February, in the year of our Lord nineteen hundred and sixty-five.

JAMES Q. RICARD  
JOHN P. ROBERTS

## REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.

2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.

3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape;

(2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

Number of Fires and Burned Area in 1964

## PUBLIC HEALTH NURSE'S REPORT

The following is a report of the activities conducted in the town of Canaan by the N. H. Division of Public Health, Public Health Nursing, for the year 1964:

The following immunizations were given:

Sabin Oral Polio Vaccine, Type I 88; Type III 78;  
Type II 53.

Diphtheria, Tetanus and Whooping Cough vaccine children  
(under 5 years of age) series 16 boosters 21.

Diphtheria and Tetanus (children 5-18 years of age) series  
23 boosters 6.

Smallpox vaccinations new 22 revaccinations 2.

Tetanus (18 to adults) series and boosters 3

Immunization Clinics were held at the schools on the following dates: 4/3 and 5/15 serviced by the school physicians.

Immunizations given:

Diphtheria and Tetanus series — 5-15 years 22 boosters  
49

Tetanus (high school age) series and boosters 308

Many other children attended clinics at Warren and Lebanon to complete immunizations that they had missed at Canaan clinics. Given at these clinics to Canaan children:

Sabin Oral Polio Vaccine Type 1-5, Type III—2, Type II  
—15

Diphtheria, Tetanus and Whooping Cough Series 12  
Boosters 8

Diphtheria and Tetanus boosters — 4

Smallpox Vaccinations — 5 Tetanus Toxoid — 10

Two other children were given psychological testing.

In September a Sterneedle Tuberculin Testing Program was carried out in the Grade School and at Mascoma Regional School on special grades.

Attendance Canaan Grade 92 reactors to the test 4

Mascoma Regional 123 reactors to the test 4

The tests were offered to students and teachers and a large percent took advantage. Chest x-rays were recommended for all tuberculin reactors and family contacts were recommended to be tested or x-rayed. All gave good cooperation. All new reactors to the test were advised to follow with x-rays for three years.

Due to the large number of children due for new and return x-rays, the N. H. Tuberculosis and Health Association, cooperating with the N. H. Division of Public Health and Mascoma Regional School, Department conducted a Chest x-ray Clinic on Oct. 5 at Mascoma Regional School. This helped a great deal, as in previous years the children had been requested to attend Lebanon Chest x-ray. This involved transportation and more loss of school time for the student. A total of 82 Chest x-rays were taken on student reactors, contacts, and previous followed cases. The teachers also took advantage of an annual x-ray.

A report was sent to all persons having chest x-rays. A few adults took advantage of the Mobil x-ray Unit when it was in Hanover the last of September. Other adults attended the Chest x-ray at Lebanon on the P. M. of Oct. 5.

In June 10th-25th of 1964 a Dental Fluorine Program was held at the American Legion Home for children 3-6 years of age. This clinic was sponsored by the Mascoma Regional Schools P. T. A. The organization, transportation and furnishing clerical assistance at the clinic involves considerable time. The P. T. A. did a very good piece of work. There were 44 children who took advantage of this service. They received

dental cleaning and 4 fluorine treatments, and some excellent advice for the care of children's teeth, from Mrs. Marjorie Plaisted, Dental Hygienist, who serviced the clinic. The Public Health Nurse spent one day at the program interviewing the mothers regarding their children's immunization status and any other problems that she could be of assistance. The program covered children from the Mascoma Region.

Assistance have been given children through the N. H. Sight Conservation Program — eye examinations and glasses fitted ;through Hanover Cripple Children's Clinics, Pediatric Cardiac Clinic, Laconia and Warren Retarded Clinics( where psychological testing has been done.)

Home visits have been made on families as necessary. These covered infants, preschools, mothers, adults and communicable diseases.

My sincerest thanks to Dr. Dinerman and Dr. Brown for their assistance at clinics; to the School Nurse, Mrs. Olson, R. N., for her efficient help; the School personnel at Canaan Grade and Mascoma Regional; the P. T. A. for sponsoring the Fluorine Program, and for the use of the American Legion and Masonic Hall for the programs. My thanks also to the committee with Mrs. Betty Fleetham as chairman, for giving such excellent assistance at the immunization clinics. Last, but not least, my thanks to the Canaan Reporter for the excellent publicity given our programs. I am sure that all who assisted in any way with the program feel that it is a worth while service to their community.

Respectfully submitted.

LOIS B. REED, R. N.,

Public Health Nurse

UPPER VALLEY DEVELOPMENT COUNCIL, INC.  
Lebanon, New Hampshire  
1964 Report

I. GENERAL ACTIVITIES

1. Monthly Director's meetings were held to transact the business of the Council, and to determine and implement policies and programs.
2. The Directors established three working committees to assist in specific areas; namely, Project, Surface Transportation and Air Transportation Committees.
3. Assisted in securing construction of a new access road to the Lebanon Regional Airport.
4. U. V. D. C. sponsored application for Flood Plain Zone studies in White River and Connecticut River Valleys. These are the first such studies to be conducted in Vermont or New Hampshire and will assist member towns in preparing land use plans, define flood potential, and provide for optimum use of land.
5. Assisted Lebanon officials in formulating a re-develop-program to effect the rebuilding of the Central Business District which was destroyed in the disastrous fire.
6. Arranged and conducted tours of the area and its businesses for the State Development Agencies, U. S. Dept., of Commerce, and other state and federal agencies. Established effective liasion with all supporting agencies.
7. Established Indian-Mascoma Rivers Watershed Project Committee and conducted educational meetings in Canaan and Enfield relative to this project. Prepared project application which was subsequently endorsed by all communities and County and State agencies. Project will result in improved water resources and recreational development and eliminate flood hazards in Canaan and Enfield.
8. Channel 49 (UHF) allocated to the Upper Valley Area as direct result of U. V. D. C. contact with Congressional delegation and Federal Communication Commission. This allocation will result in a NEW BUSINESS in U. V. D. C. Area and in improved

communication facilities.

9. Assisted in the establishment of MASCOMA ENTERPRISES, INC., in Enfield, New Hampshire which created four (4) new permanent jobs and projected employment of twelve (12).
10. Arranged for proposal of an engineering study of an Industrial Park at Lebanon Regional Airport, prepared land maps and a request for re-zoning of the area for Industrial Use.
11. Industrial land at Lebanon Regional Airport re-zoned for Industrial Use by the City Council through the joint efforts of the U. V. D. C. and the Lebanon Industrial Development Committee.
12. Directors elected the following officers for 1964-65:

David T. Hall	President	Hartford
James Campion	Vice Pres.	Hanover
Allan M. Herrick	Secretary	Norwich
Norman H. Ellms	Treasurer	Canaan

Directors established the policy of rotating monthly meetings, open to the public, in member communities at which time a specific program and related projects are submitted to community officials and citizens. Recommended programs were presented to Enfield, Canaan, Hartford, Norwich and Woodstock in 1964. (Hanover plan presented in January 1965.)
13. U. V. D. C. serves as liaison between local communities, citizens and businesses with the State Highway Depts. regarding Interstate Highway construction.
14. The Council participated in negotiations with state officials and area legislators relative to establishment of Regional Vocational-Technical school in the U. V. D. C. area. Prepared and submitted supporting data to the N. H. Dept. of Education and Executive Branch.
15. Coordinated local activities in regard to proposed curtailment of F. A. A. flight services at Lebanon Regional Airport resulting in postponement of proposed cutback.

16. Filed brief and presented oral testimony at ICC hearings on Boston and Maine Railroad petition to abandon passenger service.
17. Arranged for design and construction of U. V. D. C. signs to be located at strategic locations in the area.
18. Sponsored seminar for area facilities to promote increase in recreation/tourist business. Conducted Travel Agent Orientation program — FIRST of its kind in the area. End result will be the development and marketing of a four-season package plan.

## II. PROMOTIONAL ACTIVITIES

### U. V. D. C. Publications:

1. Industrial Fact Sheet (2 pages)
  2. Listing of commercial and industrial properties (4 pages)
  3. Base Study (50 pages)
  4. U. V. D. C. Area Map.
- A. 4600 industrial fact sheets and over 1000 property lists were distributed to prospects and industrial realtors.
  - B. 91 copies of the Base Study were given to qualified prospects.
  - C. 37 News Releases issued relating to U. V. D. C. towns, programs and activities. Resulted in feature articles printed in newspapers and magazines.
  - D. Commenced weekly program over local radio station to discuss U. V. D. C. program, goals, and policies.
